Click Area of
Specialization
Declaration

The date, student number, and address will automatically populate.

In this table, you will need to indicate your Primary Degree Program and Additional Certification Areas. Note, the Primary Degree Program is what will be listed on your diploma. The certification areas will be on your ALSDE issued certificate, only.

Type your name in this box as your signature.

Click Submit.

Once you select Submit on the form, it is routed to the Certification Office for approval. Once the change is
