Instructions for Submitting IRB Applications

The following forms and templates can be found on the Sponsored Programs and Research Policies, Procedures, and Forms webpage.
https://www.uwa.edu/about/universitydepartments/sponsoredprograms/policiesproceduresandforms

Step 1. Complete an IRB - New Protocol Application

All persons performing research with human subjects must fully complete this form. Applicants may further explain their research in the Project Description.

Step 2. Complete the IRB Ì Project Description template

The project description is a complete and
